23 March 2018

Dear parents and carers,

### **Consultation on a proposal to expand Moor Allerton Hall Primary School**

Roundhay has been experiencing pressure on primary school places for some time. As you're aware previous proposals had suggested bringing together Moor Allerton Hall Primary School with Allerton Grange School to form an all through-school with four forms of entry in the primary phase. However in response to concerns from some parents and the school's leadership about timings and the scale of change an amended proposal is now out for consultation.

We are proposing a permanent expansion of Moor Allerton Hall Primary School from 2FE (60 places) to 3FE (90 places) from September 2019.

The consultation will run from 23 March 2018 to 4pm on 4 May 2018. During this time we will be holding public drop-ins for parents/carers, local residents and other interested parties as well as meeting with governors, staff, school council and a separate meeting for parents/carers of children accessing the Deaf and Hearing Impaired Resource. Details of these meetings and how you can have your say about the proposals are contained within the consultation document which is being sent to you via book bags.

Alternatively please use the links below to access the consultation document and on-line survey.

We look forward to meeting with as many of you as possible at one of our drop in sessions.

Regards,

Tracy Waud - Planning Manager
